Sec. 1. It shall be unlawful for any person, firm, company or corporation to throw, leave, place or deposit, or to cause, suffer, or permit to be thrown, left, placed or deposited, any garbage in or upon the surface of any street, avenue, alley, gutter or sidewalk; or to cause, suffer, or permit any dishwater, wash water, or water from any cess pool or garbage can or receptacle, to run or flow into, in or upon any such street, avenue, alley, gutter or sidewalk; to deposit or keep any garbage in or upon any premises within the said Town of Clifton, other than in the receptacles hereinafter provided.

Sec. 2. By the term "dry garbage" is meant all trash, rubbish, litter, dirt, paper, pieces of lumber, sticks of wood, wooden ware, rags, straw, grass, worn out clothing, ashes, cinders, bottles, broken glass, broken crockery, tin cans, castings, and waste material of every kind and character other than hereinafter defined; by the term "wet garbage" is meant every refuse of animal, fruit, or vegetable matter capable of producing or causing offensive odor. If Whitman should be elected Governor of New York he would be a likely candidate for the Presidency in 1916, but of course that is not why Col. Roosevelt is opposing him.

We can't help but fear that the Philadelphia man who committed suicide to escape the heat jumped from the frying pan into the fire.
